Jobberman Soft Skill Course For Employer Partners

March 2023

Jobberman offers six courses on Coursera, which equip workers with skills in business etiquette, emotional intelligence, personal effectiveness, creativity, effective communication. This partnership

is part of Jobberman's ambitious goal to upskill five million young Nigerians in the next five years and providing more value to its participants with a cobranded certificate from Coursera, recognized by employers globally. Jobberman is the only recruitment services platform in Nigeria that offers free training and placement of candidates in dignified work.
